Chris Fink (to All - Entire Audience): Hi Charlie -- Let me know if there's anything I can do to help improve audio or video.

Daryl Northrop - NOVA Greens (to All - Entire Audience): Hi Chris - could you increase your recording volume? Thanks!

Chris Fink (to All - Entire Audience): Better?

Daryl Northrop - NOVA Greens (to All - Entire Audience): Yes, thank you!

Daryl Northrop - NOVA Greens (to All - Entire Audience): HI everyoen!

Daryl Northrop - NOVA Greens (to All - Entire Audience): Mic is muted - lots of background noise here.

Chris Fink (to All - Entire Audience): Got it.

Chris Fink (to All - Entire Audience): Stepping out for a second. Back soon.

Chris Fink (to All - Entire Audience): Looks like we're taking lunch now. Back around 1pm.

Charlie Jordan (to All - Entire Audience): Hello! Is this connected?

Chris Fink (to All - Entire Audience): It should be, yes! We're on lunch break now until 1pm though.

Chris Fink (to All - Entire Audience): Can you hear anything?

Charlie Jordan (to Organizer(s) Only): I hear mostly dead air, with occasional pieces of words and sounds of objects being moved and dropped. I suspect that dialup cannot carry both voices and computer code.

Charlie Jordan (to Organizer(s) Only): Please advise. Should I communicate this way, by e-mail

Chris Fink (to All - Entire Audience): Well, there's not much more than dead air anyway right now, since we're on lunch break.

Chris Fink (to All - Entire Audience): Yes, you may communicate via email or via this chat, and I will relay.

Chris Fink (to All - Entire Audience): Remaining agenda items are as follows :

Chris Fink (to All - Entire Audience): Treasurer's Report, Power Shift Campaign, Officer and GPUS Rep elections, Discussion of current campaigns, Discussion of candidate recruitment, building locals, and setting next meeting.

Chris Fink (to All - Entire Audience): Kirit will be here after lunch for the treasurer's report. The Power Shift campaign speaker has not shown up yet, and may not.

Charlie Jordan (to Organizer(s) Only): The connection has just broken off twice and reestablished itself. I'd better try something else.

Charlie Jordan (Blue Ridge Greens) (to Organizer(s) Only): GoToMeeting crashed a short while ago, wiping out the contents of the chat screen. I'm back again. I can hear voices, something about someone doing something, but I can't understand the intent.

Chris Fink (to All - Entire Audience): OK will try to improve audio. Kirit and I are the only ones in the room.

Charlie Jordan (Blue Ridge Greens) (to Organizer(s) Only): Also, the connection keeps breaking off.

Chris Fink (to All - Entire Audience): Yes, that has happened here -- I noticed that.

Chris Fink (to All - Entire Audience): Me (to All - Entire Audience):
